“ You were only in my life for a short 6 years, but you were always so kind, welcoming and generous...taking care of you wasn't easy, but it was enjoyable...you made it funny and always had a word of wisdom to share...you will be missed terribly.

“ Uncle Billy - I can't remember a childhood event that you weren't a part of - birthdays, Christmas, Easter, Sunday's at Grandma's house, summer BBQs... You gave gifts not because you had to, but with meaning and purpose and so much thought and love. You were always there. Although things were different in the later years, my love for you was always there and I know your love was too. My prayers are that you are in peace now. Rest easy Uncle Billy. Love you always - Patti
