EL

“ George was my brother in law but he was also my friend and a father to me. We often enjoyed a good cup of coffee together with very lively conversations.

I have known George for 70 years and I am richer for this relationship. He could fix anything...a water pump, a hurting heart, a delicate situation or a cut hand. He fixed them all for me...how blessed I was.

I shall miss George's strong opinions and how he always saw the other side of the coin. I am thankful that he loved my sister and was a good husband to her and a wonderful brother to me.

So many benefited from George's wisdom and generous spirit including me.....I shall miss him more than I can say. I will miss his phone calls inquiring how everything was and ending with "hugs all around"..... Hugs for you my dear brother.
