“ *We met George 10 years ago when he installed our son's stair-lift. From time to time, as it needed service we called him and he came day or night; so reliable and so efficient. As he worked, he chatted with our son, especially, about politics, etc. It was a real pleasure to have known him. May he rest in peace. Our deepest condolences to the Fehling family. The Senior Umbrella Network of Brooklyn expresses our sincere condolences on the passing of our long time member and past board member, George Fehling. George was a strong and avid supporter of SUN-B. We admired his professionalism, advocacy role for issues related to the aging population, and active role in community projects. George will be missed and long remembered. He has made an indelible impression that will survive his physical presence giving all of us irreplaceable memories. With sadness, Vicki Ellner & The SUN-B Board of Directors and Membership

My family had the pleasure of knowing George for over 10 years. He was instrumental in making our home "user friendly", both inside and out, for our oldest daughter.

George and his wonderful team (Paul, Chris and Dave) installed a great stairway lift inside the house, and a new wheelchair lift on the outside. This allowed our daughter to be able to get around in a safe and dignified manner.

George was always available (day or night) whenever we had any difficulty with either lift. He always responded immediately so as to minimize any disruptions for Rachel's safety.

We always enjoyed having very interesting and informative discussions with George whenever he was at our house.

We, in the disability community, have truly lost a wonderful advocate and friend.

May the Fehling family find some comfort in knowing that our thoughts are with this them.
