“ George may not have ever been the smartest kid in the world and he may not have possessed much skill or any common sense nor any street smarts nor any sense of what being a man meant, but he was friendly, kind, generous and he will be missed by many, but probably not by all the kids he inappropriately touched or molested!

“ George was good to Everyone - not everyone was good to George.

George had hand trouble, especially with putting them on little kids, so please, save us all on the "how good he was" B.S. Johanna! YOU should have gotten him the help he needed when he needed it and you should have NEVER let his molesting uncle Mike ever be around him after you knew what Mike did to him! Mike was a sicko and rubbed that off onto George! Great job Jo! very well done, hope you're happy now, you vain, selfish, self centered, stupid enabler!

“ Hi George . Thank you for helping us out at the ACE CENTER. You were very generous with our members always willing to help out and you would provide various items to us from time to time. It might be a big pack of water bottles after our water fountain broke or a handy tool that we needed to fix something. Or maybe a ride for a member who needed to get to a doctor appointment. You took care of things without being asked. You will be missed by us. We love you.

*I remember him always being polite and friendly..  
A week before his death, he rubbed my shoulder to say hello and introduce me to his mother..  
Briefly I knew him but he made an impact that I will never forget..  
Sending my condolences to the family in their time of loss and grief..*

*My little brother...I have been trying to find you, ever since the last time I saw you at SI hospital after I had my little one. I wanted my boys to know their uncle. I think about what an adorable little munchkin you were, yelling out the window HIYAAAA at everyone. I am so sorry I hadn't been able to find you. I don't know what demons you were fighting, but I would have fought them with you, Georgie. My prayers for your mom to find peace. Love and miss you. Dawnie*
