

Geraldine Muino

February 21, 1944 - November 15, 2019

Geraldine Muino (Gerrie), age 75, passed away November 15th where she was a resident at Sea View Hospital Rehabilitation Center and Home. A Memorial Service will be held in her honor on Saturday, November 30th at John Vincent Scalia Home for Funerals in Eltingville, from 2pm-4pm and 7pm-9pm.

She is survived by her son Robert Muino and daughter Kimberly Sansevero, their respective spouses Jeanne Muino and Jim Sansevero and 4 grandchildren. She also leaves behind four brothers, Edward Singson, John Singson, Lance Singson and Arnold Singson.

Gerrie was born on the big island of Hawaii where she met and married a Marine, before moving to Staten Island, NY at the young age of 18. She worked as a secretary in Manhattan before having her children.

Gerrie worked in the neighborhood to be close to home for her children. She enjoyed many years at Roger's Deli, Rosebank where her meatball parmesan hero became a frequent request. Staying in the neighborhood, she later worked at Keith's Restaurant where she was affectionately known as "McGarrett" due her Hawaiian background. She spent her last 20 years working for Richmond University Medical Center where she became a nursing assistant. She worked in the Newborn Nursery where she loved to cuddle the

babies and helped many first-time mothers overcome their fears.

Her children's sports were always a top priority to her as she was always present for all their sporting events and practices. Her dedication contributed to her son's and daughter's triumphs. Gerrie enjoyed bowling and softball where she played third base for the Bad News Broads. There was no doubt that Gerrie had a competitive edge to her.

Although many miles from home, Gerrie never let distance get in the way of speaking with her brothers and remained especially close to her cousin, Daisy Rosario. She enjoyed their conversations over the years and held that true bond that cousins share.

One of Gerrie's greatest loves were her 3 grandsons Andrew, Ryan and Aiden and 1 granddaughter Molly. "Grandma G" loved walking with the kids while they Trick or Treated on Halloween and Thanksgiving and Christmas were always joyous and filled with fun, love and laughter of having the four grandchildren run beside her.

Her latter years were spent in Sea View Nursing Home. Before becoming ill, she spent her time beating her daughter in Scrabble and the card game War. She would laugh at how her grandsons were so mesmerized by the train set in the solarium, time and time again. Her Sundays were spent with her devoted daughter-in-law, grandson and granddaughter listening to music, playing a fierce game of Bingo or doing arts and crafts.

Grandma G will be forever missed...
