

## Geraldine Sergi

August 19, 1950 - April 19, 2020

Geraldine M. Sergi of Great Kills formerly of Brooklyn passed away suddenly on April 19, 2020.

Born August 19, 1950 in Brooklyn, New York she was the loving daughter of Charles and Lillian Jackson.

Geraldine was raised in Brooklyn, NY and attended Bay Ridge High School. During school Geraldine met her future husband Anthony Sergi. Geraldine following school became an Administrative Assistant and worked most recently for Trillium Trading, a finance company in New Jersey.

After marrying, Geraldine and Anthony began their family raising two daughters and a son together first in Brooklyn before settling in Staten Island 30 years ago. In her free time Geraldine loved to travel, enjoyed cooking for her family, watching reality TV, and spending time with both her children and grandchildren. Geraldine relished arts and crafts, and would lovingly make center pieces for family and friends parties, those parties will not be the same without her loving touch and contribution. More than anything Geraldine cherished time spent with family and friends.

Beloved wife of 47 years to Anthony Sergi.

Loving mother of Melissa, Denise and Anthony. Dear mother in law of Doug and Lisa. Adored sister of John, Elizabeth, Christopher, Janet, and the late Marilyn, Charles, Thomas, Edward, and Paul.

Cherished grandmother of Gabriella, Carolyn and Jackson.

Interment will take place in Greenwood Cemetery.

“ I know im writting this a little late but I was looking up some pictures of her and found this. Geraldine Sergi was my grandma or as most know her as mamma serg. She got that name because when me and my older sister came into her life after meeting are step mom we really didnt know her and didnt just yet call her grandma so she came up with that Idea. We called her that for over 8 years but when my babay brother was born we started to call her grandma and never stopped. I was my grandma little princess. My grandma was my hero, my insperation, and that most loving and kind person I know. she was always there for me and never let us down. She was there for my first soccer game and my first school dance and school play. She was there for evrything and she would always show up with flowers and a card for you. I loved her so much and one night i was laying in bed and my mom came in and was crying waking my sister up to go lay with my brother. her and my dad had to go to my grandparents house. My garndma had not been feeling well and needed help. The next morning when me and my sister woke up we ask my dad how everything was he said that mom would explain everything. We got called to my moms room where she told us she had passed. I feel into her arms and couldnt stop crying. But i knew I had to stay strong for evryone including my grandpa. Ever since that day there is not a moment I dont miss her or think about her. There are good days and bad days but all I can think about is that she would want me to always be strong and never give up so thats what I did.so I strive to make her proud every second I get. I love her and miss her very much and just wanted to come on her and share my story and how great my grandma was.

*It is with such a heavy heart i right this. I am so beside myself. It is very rare someone touches my heart and leaves an everlasting impression. Geraldine Sergi Did that the very day a met her so many years ago. Her daughter's as well as her husband Anthony did the same thing. She was always a bright guiding force here on earth. Heaven is more heavenly now with its newest angel. Until we meet again, rest in eternal peace and know I will always be here for your family if they need me. Love always and forever. Rhett Jahn*

“ Dear cousins,my heartfelt condolences go out to all of you.Also,my sympathy is extended to the Jackson Family.My arms haven't fully wrapped around the sudden death of Geraldine.Memories are flooding my heart from her wedding to Anthony to the present.I remember fondly how she loved her family ,her pets & her Irish heritage.As for those centerpieces she would make for various family occasions,I have one on my windowsill that puts a smile on my face daily.It is a flowerpot with butterflies attached to it.The flowers sticking out from the greenery are attached to pens that are wrapped to resemble stems-very realistic&useful.May she enter the Gates of Paradise,where there is no more pain and grief but only perfect joy and beauty! Fondly, Camille
