“ In God's Army Gerri will always be my Company Commander, my General. As tough as she was, she always looked at people with compassion. She was a great friend and wonderful sister in The Lord. I considered her to be my Spiritual Mother. She will always be in my heart. I've never known anyone to be such a Great Prayer Warrior for so many people. We will always love you Gerri. Your legacy with Gideon 300 will continue forever. We will continue to fight fight fight in The Mighty Name of Jesus. VICTORY VICTORY VICTORY. AMEN AMEN. HALLELUJAH TO THE LAMB 🙏🙏🙏...

“ Gerri was truly such a kind, compassionate woman who was committed to her faith and helping others. She had such a warm presence and always made me feel so included and welcome when I was in her home. I hope she is resting in complete peace with God and I thank her for the love and light that she brought into her children and grandchildren's lives as well as mine ☐

“ Gerri was the best grandma you can ask for, she was always so supportive and been there for me my whole life. She came to every one of my baseball games since i'm 10 years old and i'll never forget that. She cheered me on every single game I played and it's heartbreaking she is not with us anymore. I'll never forget the countless memories we made together and I know she is in a better place up in heaven. She really was one of a kind and it's going to be hard to go through life without her.
