“ *Dear Fran & Roe,*

I wouldn't know where to start..Since I can remember Your Family has been in my life.. Your Mom and Dad were like second parents to me..Our Moms got along so well and my Mother said having your Mom as a friend helped her get through the loss of her mother when you moved next door only months after her passing.. The summer nights we sat outside with our Moms as they had coffee and watched us play...or the time at Coney Island with the huge wave..and how Gina and Rose..rushed to the shore to grab us from that wave...I have countless memories which as you know we always chat about...The hardest thing was saying goodbye when we moved to Staten Island in 1972..I remember I stood a day longer to clean up with my Dad and how both your Mom and Dad had tears in their eyes when we came in to say Goodbye...I can't tell you how much we loved all of you..we were more than friends..we were family...As you know you both are like my sisters and I am always here if you need me...

Rest in Peace Tony & Gina..

Always in my heart

“ Dear Roe & Fran,
I have so many fond childhood memories of your mom, I sincerely wouldn't know where to begin. I do know for my sweet 16 she brought me back from Italy a pair of wooden rosary beads which to this day I still cherish. The beautiful cape she made for me to wear on Easter. I also remember the laughter when I would try to speak Italian. So many beautiful memories...RIP Gina <3
