“ *Joey was a great guy who was in our lives for 25 years, he was family to us, went thru good & rough times together but we went thru it together, he was forever there laughing & sharing his life with everyone, he thought of others more than he thought of himself, I can't believe this is real, I know youre in a better place, rest in sweet eternity now until we see you again, we love you Joey always, you live on in our hearts forever!!*

“ *Joey was not only a friend but a brother. He always was there for me. A true and kind hearted person. Always caring and worried about everyone. Called non stop. He always looked out for us. This is one of the hardest and saddest news. I am still in shock. I will miss him and his jokes and teasing him and eric. Too many memories that I will forever hold in my heart. I wish that this did not happen to you Joey. Things will not be the same without you. Forever in my heart.*
