“ My family and I have known Grace for as long and we know Josephine and Bob which is about 47 years. We have had so many, happy, fun and sad occasions together that it would be difficult to pick one memory. She was always happy to see us and we felt the same way about her. Grace was a special person to all of us over the years. She touched all of our hearts in so many ways. She wasn't just our friend...she was family. She will be deeply missed and always loved.
