“ *Grace's smiling face is already so missed as we come out of our front door and she is not there. She would so often be sweeping the sidewalk, the street, and even the front lawn of any leaves that had fallen. Tony, you are in our thoughts and prayers. Love, Fran and Julio*

“ We will always remember your smile and the endless love you had for us!

*We have so many wonderful memories of many, many Christmases we celebrated at your house! You always made us feel so welcome and we always relished being part of your wonderful family.*

*Hope you never found out about the glass of red wine I spilled in the basement when Tony was showing me his computer! We both frantically cleaned up the splatters as we both knew you cherished a clean house :)*

*Life goes on, being here is only part of it. I truly believe we will all see you again and that you are in a wonderful place of energy and light - all well, and all young again! Love always, Mike & Sue*

“ I will always treasure the fun times we all shared while you gals were “cleaning” when we were kids. Especially “Graziella” Years flew as they always do but I had the fortune to spend quality time with you last year, catching up on our lives journey. In hindsight I feel so blessed that We shared those quiet chats. I loved you like a sister and I never met anyone who would put their own needs aside to care for others.  
You left too soon but I know you are at peace wrapped in your Mother’s loving arms.  
Rest In Peace Gracie and pray for those loved ones left behind.
