“ *Dr. Helen McClenahan was my Secretarial Studies teacher in New Utrecht High School in Brooklyn, New York between 1957 and 1959. She is the reason I became a shorthand and typing teacher in high school and the reason I even went to college much less receiving a Master of Science in Education from Hunter College, New York. She was a warm, caring person and I have never forgotten her and I never will forget her. RIP HELEN. Sincerely, Tema Placer Brodsky, June 1959 Graduate of NUHS.*

“ *She was one of the best teachers I ever had. She had me help type her thesis for her and always encouraged me. She will be missed.*
