“ *Hilda was the best manager! I worked for her with her over 20 years! She treated us all like her kids! And omg when we came in with hangovers she would yell at us as if we were her own! Those were the best years I ever had at work. We were one big happy family! Hilda you will be greatly missed! May you rest in eternal peace! Mindy*

“ *Hilda and I grew up together and have remained friends all through the years. I tried to call her in April and never received a call back. My daughter found her obituary and it just broke my heart. She was such a good and loving friend and was fiercely independent! I will so miss our afternoon chats. RIP, dear friend.* ”

“ *I feel so privileged to have been able to spend so many holidays and gatherings with Aunt Hilda. Her determination to remain independent her entire life was so inspirational to someone like me who's always tried to do things his own way. Makes me think it runs in the family and that's a good thing. I will miss her.* ”
