“ Isabelle you were such a warm, loving person. I absolutely adored you. When my mother died 4 years ago you helped me get through the difficult times. You were always there for me no matter the time or day. You were the most fashionable person I have ever known. You always looked so beautiful. Your personality outshined your diamonds (and your diamonds sparkled like crazy). When I think of you I will smile and remember your genuine love. It is ironic that you are being laid to rest where my parents are resting. I can't believe that you were neighbors with my parents for about 55 years in life, and now you will be laid to rest right above them. When I visit my parents I will see you too. I pray that you are with all your family and friends who have departed before you. I will miss you forever. Thank you for being a second mother to me. You were, and are the BEST! I will pray for your family. God bless you Isabelle! Love always, Pamela

“ There will never ever be another Aunt Izzy. Being able to spend Thanksgiving and New Years Day Holidays with you and your family as I was growing up was truly a gift. Your spirit lives forever, even across the country. We cannot watch a Dallas Cowboys game without thinking of you. Since you always had the best ornaments on your Christmas Tree, we always think of you when we decorate ours. The traditions will live on, the dreams and memories will never die. If and when I get to heaven, I'll be looking for the woman with a lot of gold jewelry on her wrists and a fantastic laugh whom I was lucky enough to call my Aunt. Until then, say hi to Tom Landry for me.
