“ Dear Mom,
A very sad day for our entire family. To have lived 98 years and still
cooked, cleaned, and be so well aware of everything around you
was amazing. They were wonderful traits that you passed on to your
children, grandchildren, and great grandchildren. Our holidays will
never be the same without you. We could always count on you to
come up with some witty comments. Thank you for being a
wonderful grandmother to our children, and great grandmother to
our grandchildren. Always know how very much you were loved and
appreciated. Rest in eternal peace.

*With Love
Pat and Gail*

“ So many memories to chose from but the most basic and precious to me will always be all the times spent together throughout life talking and laughing together. From eating dinner with you and Grandpa as a kid to watching T.V. together, having crumb cake on Saturday nights with you Grandpa and Uncle Joey just being with you always made me smile. I remember walking with you on Saturday mornings to Kings Highway and getting fresh baked bread right out of the oven, and eating it with you as we walked home. I remember how you always tried to encourage me and tell me don't worry things will work out stay positive. I remember 44 years of having a fantastic Grandma that was always there for me. I was fortunate to have you in my life for as many years as I did. May you rest in eternal peace forever Grandma !
