“ *Dear jack I held you in my arms the day your mom came home from the hospital. You were the most beautiful baby dressed in a frilly pink dress. Lying in your bassinette under six blankets you slept like a little angel. You were thrilled at every new adventure and thrived on the love and devotion given to you by mom, uncle Freddy, Michael, Joe, Caroline, Tony Marie and especially me your nana. I always knew you would be a star cheerleading, gymnast, A student, playing four sports in college and excelling at each one. You had a double major at CSI, loved to be in the drama program, doing volunteer work or mentoring other students. You had completed 109 credits toward your bachelor's degree. Your love for education, sports, your family and friends were unending. I have never met a person who could light up a room with a smile that showed how happy she was. My sweet baby girl I loved you so much and I will miss you every day. Your beauty, your intelligence, your capacity to love other people exemplified who you were. I know you're with your mom and uncle Freddy. I am so proud to have known and loved you. Love your nana*
