“ Fritz and Carl

*I am so very sorry for your loss. Our parents had such a special long friendship and I have so many fond memories of the times spent with all of you. Your dad was such a special and kind man. I remember how he loved to cook and I would always tell my mom "call jack and ask him how he makes his eggplant , your a great cook but I gotta admit he makes that a little better than you" mom would laugh and say yea yea I'll call him. (She did and they would all laugh)*

*All the memories will always keep him close to our hearts. May he rest in eternal peace.*

*Keeping him in and you in my thoughts and prayers*

*Joann*
