“ *Jaime what we'll all miss most is your smile that light up the night sky and your sense of humor and camaraderie. Getting to know you all those many years at Deutsche Bank secured your position in our extended corporate family. Rest in Peace. Once earthly bound now uplifted to the heavens to soar. Job well done my friend!*

“ *I was so sorry to hear of Jaime's passing. Linda and I send our condolences to Cathy and family. I was glad to speak with him a few times after his surgery and hoped for his good health. He was a good friend who I shared many laughs with since we met at Bank of America in 1980. A lot of time has passed since then, and even though our careers took different directions , I am thankful to have called him friend.*

“ I am so deeply sorry for your loss. Jaime was the person that knew everyone in the room..everyone's friend. He could always talk someone in to letting us in the clubhouses at citifield/Shea because he made a friend. I will miss him..his energy and joy for life. I think Tom was a honorary cousin. My condolences to the whole familyRegina Essex

“ It was really sad to hear about Jaime's passing, I had many a call and chat with Jaime since he joined our team and that was made all the easier by the gentleman that he was.

Many have mentioned his love and pride in his family and I remember one occasion we were on a call and his grandson walked in and decided to join in and help us resolve one of our file transfer issues, Jaime was pointing at the screen and his grandson was helping us find what was missing, only a few moments of fun but a glimpse into one of the things that brought him happiness.

Jaime will be sadly missed by all who knew and worked with him and he will be a great loss to our team.

I will miss our chats.

My deepest condolences to all his family and friends.

“ My dearest brother, friend, advisor, “the wind beneath my wings” my heart is so broken at this moment for so much pain and so quickly Our Lord called you to His Eternal Home. But My Savior Jesus and loving Father blessed you with an amazing gift of life for 16 more months and for each second he blessed you with, I am praise Our Lord. “How Great Thou Art”! Your love, amazing smile and treasure memories will eventually bring us peace and joy remembering each second well lived, but for now may Our Lord comfort our aching hearts and console us one day at a time. Till we meet again, Love you forever and more my dear brother, Patty

“ I have so many fond memories, that I will cherish from when we were growing up. Even though we lost contact for so many years it was great to reconnect. I was looking forward to seeing you as we planned this year I thank God for these last couple of years that we reconnect, it seemed like time had not passed us by. We laugh, we cried and we reminisced. Until we meet again, I will carry you always in my heart. Love you always, your cousin Mario Amaya

“ Jaime, my friend and colleague, it was my pleasure to have worked with you and more so to have gotten to know you and learn what a gentle, warm and caring man you are.

The happiness and pride you expressed for your family always brought a smile to my face and your positivity even in the face of considerable challenges was inspirational and a mark of the man you were.

We will miss you greatly everyday and you will live in our hearts and memories.

“ Even though we worked miles apart we spent many hours together and I learnt so much from you, I will never forget the time we spent in Canada looking for snow boots for your grandson, you was delighted when you found just the right ones. You were so proud of all your family and spoke so much about them it felt like I knew them. I am very sad you didn't make it to Ireland to visit us.

My condolences, thoughts and prayers go out to all your family and friends at this sad time.

Rest in Peace Jaime, You will be missed by all that knew you.

“ *What I remember most about Jamie is exactly what you see in the photo shared by his family, a warm, welcoming and loving smile. In the early days of knowing him, he visited his sister Carmen in Tampa. During this family celebration he thanked me for attending the family event and helping to bring joy to his family....and all what I had done was to participate in a karaoke session. I was completely surprised by this! I thank him and his family for the honor and pleasure of knowing them and him.*

To my extended family, My Brother Jamie shall be missed. Rest in the Loving Arms of Our Lord and Savior. AMEN

“ My dear friend, the world seems less brighter without you in it. Your kindness and sense of humor will be missed. Our lunches and walks were full of talks around sports and your beautiful family especially your grandsons.

We went to mass on your mom and dads passing anniversary every year and we always went to get our ashes except for the time you got them at "ashes to go" on your commute...we had a good laugh, we always had good laughs.
