Allison, Ryan, Casey, and Meghan, I am extremely sorry for your loss of a great husband,father, son and friend. I knew Jimmy for a short three weeks. We spent practically 24 hours a day together talking about baseball tournaments, soccer games, fire fighting and Larry. I owe a great deal to Jimmy as he showed me the way in a place where i was unfamiliar. Jimmy helped me early on in realizing that i could not control everything and that there were other forces of nature at work around us. We would have coffee every morning at 5am, all the while laughing about the silliest things. He would sing the Foldgers comercial jingle. i still do this at home and my family looks at me like im nuts. i had hoped we would get together again but have accepted that will have to be postponed until God sees fit. Please take solice in knowing that he expressed his love of each one of you to me. He was so proud of his children. He will be missed deeply, but remember the good things. He is at peace and would want you all to be too. Kevin

“ *I haven't seen Jimmy for over 20 years. A few years after he graduated from high school, he appeared in my office at IS 7 with Chinese food to share lunch with me. It was always good to see him. He was a super young man with a generous heart. He will be missed by all who knew him. My deepest sympathy to his family. Anthony F. Catania (called Cougar by my boys)*
