“ *I went to high school with James and although we weren't the closest friends he was always there when we needed him. He was one of the sweetest people I knew, and it was an absolute honor to be his friend. I'm sure he is resting well wherever he may be.*

“ *I was James manager at Wendy's in Hylan blvd. I remember when we used to closed together and James always came to me and say maritza when do you think I can go on break cause I want to run home and get something to eat and I used to say why go home when you work at a fast food restaurant and he would say I just love my moms cooking. James was like a son to me .very respectful and very nice young man.I was devastated when I found out.I will miss him dearly.Jamesmay you rest in peace.Gone too soon but never forgotten.My deepest condolences to his parents and family.*
