“ *Jimmy took us all CYO kids to Jackson Hole, Wy, camping. Remember, James and Jude and Demian and Marcus Sanchez? He was so patient, in his awesome New Jersey New York accent. So patient and happy to be with us, to be present with us, as we explored our campsites as rascally teenagers will do and got to go down the Snake (?) river rapids in the big rafts. He was so solid, so authentic and was the father of one of my dear friends, James. I am so sorry he is gone. No fair!!! He should have lived to be 100. Your whole family is in our thoughts down here in Laramie, WY. Jimmy is peacefully watching us, knowing we will be okay. We offer you our condolences, dear Scalias.*

“ I've known brother James as I often called him being I knew him for 50 years from dating and marriage to his little sister Rosemary. Jimmy was the kind of man that truly would give you the shirt off his back as well as do anything he could to help you when you needed it. Jimbo's heart was as big as his frame.

Rosemary and me had many a good time over all those years with Jimmy and Doris. We owned a vacation home in Vermont and when Jim went there he found we had no hot water, if you were to shower it was COLD WELL water Uh that didn't work for him. Next day we were out buying a H/W heater and Jim was installing it. Brother James was his father's son, PAY to have something done !!! NO WAY.

Jimmy could work on anything and he did, from engines hanging in the side lot to the finest molding. I can remember the four of us driving back and forth to Alaska in Jimmy's van, what a great trip even with some car trouble we had a great time.

Although we were seperated by a few thousand miles whether it be between Florida or Staten Island to Worland we always made it our business to visit our Wyoming family. We'll miss our Brother James but know that he is in good hands with Mom, Dad and the Doc.

“ So sorry to hear of the loss of Jimmy. A fond memory of Jimmy was when Mike and I stayed at their house on the way to Yellowstone. He took us riding all over the town and Jimmy and Doris were the kindest of hosts, cooking and getting up early to make us breakfast. They even gave us their bedroom where the train goes ROARING by. A sweet, kind man with a sweet kind wife, rest in peace Jimmy. Sincerely, Claudia

“ So many years of great memories we have shared with Jim and Doris and children. Spent almost 4 years together in Cheyenne, Wyo. Have vacationed together over the years. Jim and Doris are courageous people and have fought many medical problems over the years. It hurts to say goodbye to Jim but ultimately we will be reunited again some day.  
Our thoughts and prayers are with all the family.

“ What strong willed man. Very soft spoken. He has fought such a courageous battle with his diabetes. He never lost his trust in the Lord. I always enjoyed waiting on Jim at Pinnacle Bank and visiting with him. Thoughts and Prayers to the family he has left behind.

“ So many fond memories of Uncle Jimmy keep coming to mind. As a child loading up the light blue pickup truck going to the dump , sitting on his lap and letting me drive. From the road trip across county, staying in Ohio and then on to WY with Aunt Wy, DM, James and Roey... good times. And our last road trip to Helen's Wedding to Maine. That was a blast, we laughed until we cried the entire weekend. I will cherish those memories forever. Uncle Jim, you were the BEST!!!! Rest in Peace Big Guy, I know your up there looking down on us with that funny grin. Love you !!! Cecilia
