“ I am so grateful for the 45 years of friendship that Janet and I shared. Janet was always positive, looking for the bright side of any situation and finding it. I will remember how Janet loved to laugh, hated the cold, loved Hawaii, adored her family, and was always thoughtful. Seeing the deep love and support of Janet's family and friends surrounding her last week was an inspiration. Jan, my friend, I will miss you dearly. Love you. Margaret Roccanova Kartanowicz

“ Janet waa my sister in law but more of the sister I never had. From the first day I met her she battled cancer and always had a smile on her face and never complained. You never knew she was sick. Two weeks before she paased away she refused to go to the hospital because everyone had to go to work the next day and she did not want to inconveniencce any one. She worried about every one else. I lost a sister and a best friend. She also made the best Baked Clams. Love and miss you sis

“ Janet was a warrior. Always a positive spirit that I admired and loved. She has been engrained in my life from the minute I was born. A special bond that is indescribable. She would say “that’s is my flower girl!” But the relationship was much more than that. A love and an understanding of friendship and family that few can understand. I will always love you and never forget the bond we shared. My deepest condolences to the family. Especially Mikey, Robert, Mallory, Annmarie and Linda.
