“ RIP grandpa, i hope you are resting well. Although I didn't get to see you since i was a baby, i hope your spirit will be with me forever so that you can watch over me. Love, Kayla, your oldest granddaughter. I miss you. ❤️🕊️

“ Daddy, some days I can hear your voice, and I turn to see your face; yet in my turning... it seems that the sound has been erased. Who will I turn to for answers when life does not make sense; Who will be there to hold me close when I'm feeling very tense. Oh daddy, if I could turn back time and once more hear your voice; I'd tell you that out of all the daddies in the world you would still be my only choice. Please always know I love you and no one can take your place; the years May come and go but your memory will not be erased. Today, Jesus, as You are listening in your home up above; would you go and find My Daddy and give him all my love. <3
