“ I am sorry to hear this about Mrs laresca she was absolutely my favorite neighbor growing up as a kid. I am so glad I got to see her when I stopped by the house a few years ago.. she was the best and she gave me the greatest snacks when I helped carry in her groceries 50 years ago. LOL

“ *We are saddened to learn of Jean’s passing. Know that our thoughts and prayers are with the family at this time. Our friendship has lasted more than 50 years. Jean was always so kind hearted. We have fond memories of her making a fuss over our young children. She always had milk and cookies for them. We had wonderful times at firehouse functions together. And in the later years it was lovely spending time with Jean, John, Lynn and Lenny at Captiva Island. Jean will be missed by all who knew and loved her.*

*Much love, Ed and Fran Plankey*

“ Jean and John’s families,  
I am so sad to learn of Jean’s passing. We moved in 11 years ago. Jean was so welcoming to us. She was so kind, we would talk on the stoop and laugh. Jean would talk about all her kids and theirs and cooking for a holiday at her children’s homes. How proud she was of her Granddaughter graduating from Boston and how sad she was that she couldn’t be there. Her love for her family was up front and she was always thinking about all of you. Her love for John always made me smile... even when he would turn his hearing aide off to finish snow blowing ALL the neighbors walk ways. Their love for one another always makes me smile. I will carry their love for each-other everyday!

We will miss Jean ever so much,  
Jane and Eddie
