“ Deeply saddened by this news today. My heart goes out to her family. Such a shining light. When I learned of her battle a few years back I called her direct. Had a brief conversation and laughed at some memories from high school and her visit out west some 20 something years ago. I will think of her and smile. Rest peacefully. Alexander Manos

I worked with Jenna at D'Arcy - she was so talented. Many lunches were spent with Jenna convincing me to go to the gym - and she succeeded. May her memory be a blessing for you and her beautiful son. Condolences to her family.

“ You were 3 years old when I started babysitting you and Michael! I fell in love with a beautiful, joyous child and had the honor of watching you grow up and become "my little sister". You became babysitter to my kids and godmother to my son. My move to jersey and our busy lives left little time to spend together but when we did it was wonderful. Your son is as beautiful and sweet as you and I look forward to watching him grow up as I watched you. I am left with so many memories that I will cherish forever. My heart is broken that you are gone. Rest peacefully my beautiful girl.
