“Joan and I have been friends for over 70 years. We lived only a few blocks from each other and spent a lot of time together. Joan had a tea set and her mother would make hot chocolate and biscuits for our tea parties. Joan would come to my house and enjoy spaghetti and meatballs with us. We spent time at Carl and Gertz's candy store trying to gain weight with malts and ice cream. Joan had a contagious laugh especially after drinking Coca-Cola. Have many happy memories sharing life with Joan and Donald. BBQs, time at their trailer, weddings and anniversary. COVID and mobility issues kept us physically apart but my heart was always with Joan. You will always be a part of me. My heart breaks for Don, Jeffrey and Steven. RIP my dear friend Joan.
