

Joan Crowe

November 8, 1936 - December 25, 2018

Joan Crowe of Eltingville passed away on Christmas Day at the age of 82 surrounded by her loving family. A vibrant woman Joan loved life. She was diagnosed years ago with Lupus and she defeated the odds and lived a happy and full life, much longer than her Doctors ever expected. She led the way in research and is mentioned in medical books, which helped Doctors come to understand this deadly disease.

Joan worked for a number of years as a telephone operator for AT & T. She was married for over 60 years to her late husband Frederick who passed away in 2000, ironically they lived on the same block. She enjoyed travelling, fine dining, and trying new and different restaurants. She belonged to Singles on the Go, was a member of the Lupus Foundation, Heart to Heart and was also a Red Hat Lady Member.

She is survived by her three daughters; Karen Harford and her husband Thomas, Maureen Jacobsen and her husband Paul and Susan Bain. Joan also leaves behind her 7 grandchildren and her one great grandchild.

A gathering of family and friends will take place on Wednesday from 2-4 & 7-9 p.m. at the John Vincent Scalia Home For Funerals, Inc., 28 Eltingville Blvd. A Mass of Christian Burial will be offered on Thursday at Our Lady Star of the Sea Church beginning at 11:00 a.m. She will be laid to rest in Moravian

Cemetery alongside her late husband Frederick.

“ *Remember Joan quite well from many years ago as a young an on Staten Island. She is laid to rest now and is at peace. She was a beautiful woman in her day with big blue eyes, fine featured and a Nordic beauty. Sadly, life is short and the years see to just fly by. My sincerest condolences to her three daughters; Susan Bain, Karen Harford and Maureen Jacobsen and the seen grandchildren and great grandchild Joan was lucky to have in her life.*

“ *Joan was very upfront and if she had something to say...she would say it right to you. Nothing phony about her ! A very honest and direct person. If she was your friend...you knew it and could trust her. She was loyal and a wonderful wife, mother and friend. I a truly sad to have heard she passed away this past Christmas Day. She is in Heaven now.*

“ I remember Joan as a teenager as a feisty and vibrant lady from the neighborhood. We were a group of friends that hung out during the disco days of the late 1970's. Way back then, everyone had their parents in place; alive and healthy. Sadly, time has passed and most of our beloved moms and dads are no longer with us. Some of our friends growing up together are also no longer living. That truly saddens me ! My deepest sympathies to Susan and Karen. We went to Tottenville High School together and also to their younger sister Maureen. I shall cherish all the fond memories of going to the Riverboat in Manhattan in 1976 ,to any discos, bars and nightclubs all together in our youth...so may years ago. May Joan now rest in peace....she was one of a kind !
