“ He touched me in the knee, how ashamed I was. You used to recite this all the time. Everyone loved to hear you sing it. I will miss the old days when you would visit my mom's and Aunt Alice's house. We had a blast. RIP Aunt Joan. Until we meet again.

“ Today I lost a woman who has always been there for me. She always put her family before herself and would give anything to the ones she loved. She has showed me what it means to be a strong, independent, generous, loving person and she will always be my number one role model and inspiration. Words can not express how much I will miss you nanny, you have taught me so much and I will truly cherish every moment and memory we have shared. <3 love you forever & always Nanners <3 Your Meggers
