“ I vividly remember a time that Joanie babysat me. I was only 4 years old and she sat down and told me that she didn't know anything about kids. Then she reached over and tickled me. She sat on the living room floor and played games with me. When she left, I thought... for someone that doesn't know about kids, she sure was fun! I will miss her beautiful smile and her amazing sense of humor. I truly loved you Joanie.
