“ *It's coming up on 2 years since you've been gone and it's harder now then ever, the pain of losing you is sometimes to much to bare. There are time when I still go to call you or think mom will know what to do and then realize your not here. You were the most kindest, loving, gentle, selfless person I've ever known. I was so blessed to have had you as my mother and a grandmother to my kids.*

My only hope is that you are happy with Michael now. Heaven must really be beautiful now that your both there.

Life is not the same without you, I wish you could be here with all of us, especially all your great grand kids, they are amazing.

But I'm sure you know that, keep watching over them.

Love you always,

Carol

“ *My grandmother- my best friend,
You were everything to me and still are. I am heart broken. Not a day will go that I will not think or talk of you.
I love you always and forever Crystal*
