A New York State decision that those who are vaccinated are no longer required to wear masks. However, our staff who have serviced over 350 covid funeral services safely will wear masks to protect those who have not been vaccinated or those who feel uncertain and our own families. We feel this is necessary because we have handled 8 covid deaths in the month of May and more as of this writing of June 21st.

Due to the current pandemic circumstances please note: We ask that you please send bakery products, fruit baskets, and other personal items to the families home directly. Floral Arrangements can be purchased from our in-house floral designers by calling 718-948-2016 to place your order or to request a catalog of selections that can be emailed to you.

“ Uncle John, Joe and Janice - I am so sorry for your loss. It is hard to believe that Aunt Joann has left us. Aunt Joann was a special person who touched the lives of so many people. She held a special place in my heart. I cherish the memories I have of visiting and either going to LBI for a walk, going out to eat or just hanging out at the house and playing cards. I loved the sleepover I had at the house with Aunt Mary and Aunt Pat. I also have found memoreis of Kevin trying to catch crabs and you saving some bait in your freezer for him to be able to try again the next day. I loved the way you would joke around with us. It was very evident how much you cared about us. You will be greatly missed. Love, Trish

“ Joann, the memories richie and I have in our hearts will last a liffetime! We have had many laughs living next to each other for 14 years! You welcomed us when we moved in like family ! Though time and life has kept us apart, I always looked forward to our annual Christmas updates! Whenever I think of Lucy and ethel I think of you and you still made the best artichokes. Rest easy my friend, and I hope they had a seat for you at the card table up there in heaven. Watch over your John !
