I've been living in Russia for last 20 years and just discovered about the passing of Joann. I am terribly saden to hear this Joann was a dear friend for many years she's was almost like the sister never had. I will forever remember all those crazy days we shared together with her and her husband Jack while living in Staten Island. I'll forever miss seeing Joann she was an incredible girl. Carlo DiSieno

“ I'm so sorry to hear about your family member's passing. When my dad died I was comforted by what the Bible's hope for the future will be. Revelations 21:4 states: "and he will wipe out every tear from their eyes and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away". What a wonderful hope God promises for the future, a resurrection of the dead to live on the earth under perfect conditions! My hope is that you and your family are comforted by what God promises. My condolences to you and your family at this time
