“ Aunt Joann, Still very shocked of your passing. To young to soon. I will always remember your funny laugh and all the great memories we shared together for the holidays around the family, and growing up in the same crazy house together for 18 years. We had our fun too, the memories of you taking me to the Diner and Movies with you and your friends when things were so much easier in the 80's. We had a lot of fun and laughs. You were always so supportive of me when I was selling stuff, especially jewelry! You were always my first customer and spent the most! Although things changed over the years, we grew apart & because it was just part of life. But I'll never forget you, & I now know for sure you are Happy to be with your parents, and my parents and your niece and so many others in Heaven that you missed so much. You will be missed. Watch over us all from up there. I know Alan, Stephen & Valentino will miss you tremendously. We'll see each other again someday & laugh so much again like we once did. RIP. xox
