“ 2 Months without you....

That's

A lot of Laughs i'm missing.

A lot of Great Convo's.

A lot of Eye Rolls.

A lot of I Love You Dad ! I'm missing....

I Pray that you are somewhere better,

free from any pain you carried here.

You made me a Dad, I helped give you life, But you Gave me meaning.

I always did my best even with ridiculous resistance. I am so thankful that we had and cultivated such a strong bond. I am so thankful that you developed a dope relationship with your brother and sister.

As of now my gratitude does not outweigh my grief. This pain is immeasurable.

I Love You so much and miss you more than words could express.

AN

She never forgot to mention her father and how much he meant to her. Her soul never ending, in heaven where she rests she looks down and blesses the ones she loves.

“ You were a kind soul. Also- One of a kind.
I loved you unconditionally. We all have ups and downs, you were not troubled, you were not an addict. A low life gave you poison. You were a young person figuring out life and you were a better human than anyone who judged you or failed you.
Those that let you be you, knew YOU.
I Love YOU. Many Did. Even those who didn't love you right. They still loved you.
I hope you are happy wherever you are mama. ∞ Our Love Is Forever ∞
