“ *I remember John very well and have fond memories of his longtime friendship with my father. We lived across the street from the Abbatiello's on Chesterton Avenue. My father (John Nemia) and John were always together - in the basement listening to music, playing pool, fixing or building something. Even after we moved to Florida, they stayed in touch, and I looked forward to John's visits. My father passed away in December and I often thought of John as we were honored him. Deepest condolences from the Nemia family - Nancy, Carmelo and JoAnna.*
