“ My condolences to the family of my best friend of 40 years. We have too many memories and experiences together for me to write about but I am so grateful to have them and will always cherish them for the rest of my life. You were always there for me anytime I needed you and for many other people in your life, that was just your nature. I will miss you in presence but never forget you. “ The most honorable man I had in my life. We have been friends for 30 years and he never let you down when you needed help. He will forever remain in my heart. May God embrace such a good soul of this man. His favorite band and mine is the who. The song is the kids are alright. We rocked to this band so many times and had a blast! We will meet again someday and be rocking again together. God bless.
