“ *To my Beloved Dad*

You are the light of my life , you lifted my spirits in desperate need , you lend me your hand and always picked me up. You will forever be in my heart with all the comfort and love. In my need of strength I always will be thinking of you . I will never forget the memories we shared together , watching tv , going to the race track when I was little and going to the casino or just sitting having a conversation , I'm sorry I did not get the chance to say goodbye or kiss you goodnight like I did every night . I love you more then you will ever know till we meet again Dad .

*Love always forever
Your Daughter

Losing a father is the hardest thing for a daughter to go through. Not just in death but gone from her life however it may be. RIP John
