“ My uncle Jack was *SUPERMAN* to me! He could handle anything and everything thrown at him and found a way to make it a funny story! I wish I could hear him now to make us laugh during our time of mourning. He'd probably joke about haunting my dad for all the pranks my dad pulled on him over the years... lol. I know how much of a great uncle he was and know he was an even better dad and husband. Uncle Jack, you will be truly missed but your memory will live forever in the lives of those you've touched.... give grandma a kiss for me! Xoxox
