

## John Privracky

May 23, 1963 - May 30, 2020

John Privracky, 57 of Eltingville passed away suddenly on Saturday, May 30, 2020,

Born Thursday, May 23, 1963 in Staten Island, he was the son of the late John Privracky (2008) and the late Carol Viverto Privracky who passed away in April of this year.

John a retired NYC Department of Sanitation Worker had a zest for the outdoors, finding peace in fishing and spending time on cape cod. An avid sports fan John and his son relished watching many games together, baseball and football especially the Mets and Jets.

John was the keeper of the family pool and was extremely vigilant about its pristine upkeep, making sure every leaf was removed timely.

Family was most important to John, spending time with his wife and kids was what life was about, and he made sure that dinner was held every night around the table together.

John could be found with his ever-present Jack Russell companion Jaxie by his side, watching TV, mulling around the yard and meal time, 16 year old Jaxie was right there with him.

John had a spot in his heart for classic mustangs, in his younger years he owned a 67 Fastback that he rebuilt engine and paint right down to the blue stripe, as he got older raising kids became more important, but on his last day here with us, John relived his younger days by purchasing his 2020 Mustang GT, bringing it home and proudly showing it off to family and friends taking them for a ride before parking it for the night in his driveway.

He was the devoted husband of 33 years to Angela (Gigliello) Privracky.

Loving father of Nikki Privracky, Toni Ann Privracky, and John Privracky.

Dear brother n law, uncle and friend to many, He will be truly missed by all who knew and loved him.
