“ I have had the pleasure knowing John for over 35 years. A very kind and generous man. Nothing meant more to him than his family. Always a smile and a warm greeting. My visits with him will be deeply missed. He was larger the life and his presence commanded the room. Life was great when you were around him, he made you feel ten feet tall. He lived a full life and was never cheated out of anything. I will miss you my friend. Love always with wonderful memories.
