“ *Johnny popped into my head this morning so I decided to look him up! We worked together for many years and we knew each other very well. The world is a less exciting place without him, lol. I last saw John about 10 years ago at a reunion. He hadn't changed a bit. This slide show tribute is very fitting and proper. The John Russo I knew would have been trying for an Oscar, My condolences to the family.*

Sincerely,

Michael Florio
