“ *Dad- it just turned six years and not a day goes by I don't think of u. I catch myself looking at my kids now and thinking how unfair it is that they will never know the greatest man that ever existed. It breaks my heart daily that I can't hear your laugh or be given advice by you. 6 years and it still feels like yesterday when I heard the accident. You will always be my best friend. And I'm sorry I didn't give you more grandkids to love when you were alive. But know that we carry your memory with us everywhere we go. I love you. You were my favorite hello and you are my hardest goodbye. Love you Maria and your grandkids Adrian, Adriana and Angelica*
