November 8, 1941 - April 4, 2025

Joseph P. Hanley, 83 passed away on April 4, surrounded by his loving family. He is survived by his wife Susan of 57 years, son Joseph with his wife Tricia, his daughter Laura and her husband Darin Morrissey and his four grandchildren Paul, Joseph, Erin and DJ

He proudly served in the United States Army and was a New York City Firefighter for 25 years.

Joe was larger than life always full of laughter and love. He was the type of man that would lend anyone helping hand. He enjoyed working on his 69 Oldsmobile Cutlass convertible and completing home projects around the home. No job was ever too big for him. One day he came home from work with a book on how to build a house and told his wife I'm going to build you a house. After he accomplished building their home for his family his projects and accomplishments never stopped.

“ *Joe was my brother firefighter and neighbor for many years. When we first met I was quite intimidated because he was tough and strong. It didn't take long to figure out he was a gentle giant. Joe had plenty of knowledge and was willing to share it if you paid attention. I learned so much from him about the job and also this thing called life. May God be with you eternally and bless your loving family the rest of their days. Love from John Marks friend forever in my heart.*

“ *I was sorry to hear this morning of Joe's passing. He was ALWAYS that guy who stepped forward to help a friend or person in need. We spent many years together in E-164/L-84, and God forbid that you needed a fellow firefighter to come in and get you out of a jam, you would want that brother to be Joe, because he'd get the job done! Rest now in Peace Joe, and my condolences to the Hanley family.*
