“ *Sometimes God makes you come across something by accident Which happened yesterday I was a former relative related by marriage I am no longer But I had gotten hospitalized for severe stress at that time and Joe called me up in the hospital and told me how courageous I was to recognize it and gave me the encouragement to go on I never forgot that I was deeply saddened to come across this My condolences to the family*

“ I first met Joe back in August 2003 when we first moved into great kills. We was running a local service center. I had a problem with an alternator and he genuinely assisted no charge as the prior mechanic that worked on the car messed up. From there I was a loyal customer. As time moved on I too got into the automotive business and became very good friends with Joe. I'm fortunate to know his wife Josie, daughter Nicole and Son Joe. With all sincerity I'm still at a loss for words. I will miss conversations, friendly advice and the random text messages from Joe. I will forever be grateful being friends over the past 18 years. Rest in peace Joey!

“ *Uncle Joey was such a wonderful man and I will always cherish the memories of our family visits. Aunt Josie, may you always remember how it felt to laugh with him and be loved by him. I hope those memories will bring comfort in time. To my dear cousins; The lessons your dad taught you, the love he gave, the way he cared for people...all those good things live on in you. So deeply sorry you have to go through a heartbreak like this. Sharing in your sorrow and keeping your family in our most caring prayers.*

“ *This man was genuine. Joe a great guy with great values. He always spoke of his family and when i would see him always ask about mine. He never asked for anything other than a good conversation. I will miss him*

tremendously, just seeing Joe at the front desk when I came into the shop as I did today. The pain on his friends at his shop shows the impact he had on others. Rest In Eternal Peace my friend I will surely miss you. To your wife children and family my deepest condolences. I'm so sorry for your loss.
