“ *Hi Dad ... I know Sunday Father's Day but this year a hard one .. my Dad passed away dec 17 2021 & he would have been 90 June 19 fathers Day .. so I though I wish you a happy Fathers Day today .. you are truly missed .. I just wished you would have been able to visit us , but I am sure your watching from above .. Kenny doesn't like Florida but he had adjusted well .. he always busy with gen when he not working .. we have real nice neighbors in our new home .. actually the man across the street went to st Michaels school in bklyn with ne (small world) .. Kenny seemed to fit right in and has a few good friends & also we do keep in touch with your brother Eddie , His wife , Dawn Marie & Robert , Annarose & the triplets .. thh he ere about a hour and half from us but we all get together a few times durning the year .. it's truly nice for Kenny to have his cousins in his life .. life is to short & I wish things could have been different when you where here .. I remember whst you said to me when you where in the hospital and list your leg & yes you where right .. Kenny is truly my soul mate & even though we had our up& downs .. I love him with all my heart & he is a blessing to me .. he just a big guy with a wonderful heart and gives so much of himself to others ... thank you & mom for giving me a amazing man .. I hope you have a good fathers Day with mom & Joey ... love you always & we both miss you very much !!*
