“ joe, you will be deeply missed. We have been living next door to you for the last 15 years. You are a wonderful man and it's been a pleasure knowing you. We have learned from you the history of the block and of the people on it. We will miss our talks. It was so nice to see you and toto almost everyday,we are so sad it's not going to be the same anymore. It feels so different already. Rest in peace
