“ *Dear Fran and family,*

*We felt very sad that we could not attend Red's funeral with the family since we are in Florida these months. Our hearts and prayers are with your family.*

*We have such fond childhood memories at Grandma's House, the first grandchildren in the family, we were loved so much by our grandparents, Aunts and Uncles. As we grew older our love for each other grew and grew. Loving Cousins! When Red introduced us to Fran, we loved her too and was so happy when they got married and had a beautiful family. Our family get togethers, going on cruises together were always special times.*

*Our love and memories will always be in our hearts. Love you Red!  
May you Rest In Peace.  
Love, Louise and Camille*

“ Every time I ever thought of Mr. Zaza (Red)  
one thing comes immediately to my mind....  
His genuine Smile... not even the sound of his  
voice, but that fantastic SMILE... when you  
were in his company he just made you feel  
happy to be there. I will not use a past tense when I speak of him,  
for he will forever be alive in all of his family as his legacy (& smile)  
will live on inside of each of you forever. May Red be by your side  
through the rough days ahead and may God bless you all. I love  
you guys very much

“ Truly heartbroken..... Red was such a huge part of my childhood until today. So many fond memories of our Sunday dinners and many laughs... I will never forget how he loved my son, Michael, like his own. My heart is with you all at this most difficult time. RIP Red... truly one of a kind.
