“ *Every night when I would leave for work Josie would come outside and turn on the porch light and wait for me to get up the block. She would leave the light on all night long for me so I would have light even though I told her the sun was out. She didn't care she wanted to make sure I was safe. Josie was so very kind and funny and caring we miss her already and are blessed to have had her in our lives. Love Eileen Michael Lisa David Maura Rebecca and Justin*

“ All of my childhood memories are all of Josie and Albert. She was like a grandmother to me, and my brother Gerard. She always looked out for us, and my mom Lauralee.

I remember everyone always being there for friday night coffee and Rocco's Pastry... She loved her Pastry, especially, St Joseph's.

She always sent up the most delicious Sunday Gravy for us-- because she felt bad because we are Irish.

Her 4th of July party was always the best, and we looked so forward to everyone all being together, it made for the best memories.

Every Christmas or Easter-- I would always hear Connie being yelled at by her mother lol when they stayed over-- I can still hear her voice in my head....

Both Josie and Albert were so special to me. I want to say thank you for always taking care of Gerard, myself and my mom, Lauralee

May she rest in peace,
Kerry Ann Carney
