“ *Our deepest condolences and prayers for the Lord's peace and comfort during this time of loss... Aunt Jo was very special! She recalled just two weeks ago to my husband of the time we saw her and Ellie in a diner and we surprised them by treating for dinner... it took awhile for us to remember!!... but it was like yesterday to Aunt Jo... she even helped one of my daughters in their homework assignment! There were other wonderful encounters with this special woman with a bright smile! Lovingly, Susan and Frank*
