“ Grandma, you were such a strong woman, but it was time for you to be at peace. I will never ever forget all the fun times we had together. Thank you for teaching me all of these games. Playing cards, playing Mah jong, you taking me shopping and just hangouts were just so much fun, also going to Hazlet swim club and going in the pool with you and showing you my tricks as well. Every time we went to a restaurant we would get lemons and eat them together and say salute. I will truly miss you. You were such a cool grandma and so different from other grandmas but in a good way. You will be missed by all. And i promise i'll make you proud i love you rest easy 🕊️💔 - Angelina

“ *Mom you fought so hard God saw you were getting tired and took you away from your suffering. I will remember all of the fun times we had. I couldn't ask for a better mother. I hope you are at peace now. Angelina and I will miss you. We love you always and will see you again one day again. ❤️😭*
